

2021 SCHOLARSHIP NEWSLETTER

A year in review. . .

The scholarship committees main focus is to maintain criteria and determine eligibility of applicants and awarding scholarships. We also raise money to enable us to grant these scholarships under the Steve Tellier Memorial Scholarship award. Awards are given yearly to deserving high school and college students. This year, we have expanded the criteria of qualifying children to not only regular members but also associate, municipal and honorary members.

In addition, we make education scholarships available to qualifying NHAEO members of the assessing community for classes and courses to help with certification and continuing educations requirements. Information is available at nhaao.org/events/scholarships.

This year, under the Steve Tellier Memorial Scholarship, we awarded three \$700 scholarships to the following deserving college students.

- Sydney Michaud - Wentworth Institute of Technology - Mechanical Engineering
- Cooper Reese - Bentley University - Finance/Economics
- Lydia Bunszel - University of Vermont - Agricultural & Life Science

The annual golf tournament and cash calendar were our two fundraising events in 2021. The cornhole tournament was not scheduled due to covid-19. Due to Hurricane Ida our annual golf tournament, held at Campbell's Scottish Highlands in Salem, was postponed to September 20th. We had a good turnout with 40 players participating. Turned out to be a beautiful day and with the tournament entry fees, putting contest, 50/50 raffle and auctions we raised \$1,140.

Winning team members were Steve Piersall, John O'Connor, Norm Pelletier and Jason Pelletier (not pictured).

TO:

The cash calendar was our big fundraiser. It involved a lot of work from getting sponsors, printing and distributing calendars and doing the daily draws. It was well worth the effort as the calendar raised \$4,358.

All told we raised \$5,498 in 2021.

The Scholarship committee would like to recognize two wonderful and dedicated Assessors that we lost this past year. Rick Brideau & Bill Ingalls will be remembered for their hard work, dedication and support to the New Hampshire Assessing community. In their memory, the NHAEO has established the Bill Ingalls/Rick Brideau NRAAO Grant.

If you have an idea for a fundraiser, please contact a committee member and tell them about it.
